

TOURNAMENT RESULTS
MARE ISLAND
SATURDAY, APRIL 22 2017

This was a course that you had to stay in the fairway otherwise you'd be looking for your ball in thick, knee high rough which much preferred to eat your golf ball rather than return it to its rightful owner. But, the eleven of us survived although we had some very high scores. Regardless, congratulations to Tony Schapero our second flight and overall winner with a gross 101, net 75. Congrats also to Bruce Bender, our 1st Flight winner with a gross 94, net 79.
