- » September 11th indexes will be used for the Club Championship and both Medal events.
- » Men will play from the WHITE tees at each course.
Women will play from the RED tees at each course.
- » Tournament Committee will arrange all pairings in consideration of the following guidelines. Eagle Vines Vineyards & Golf Club pairings will be arranged so that the lower index players go off first with the next higher index players in the 2nd group, and so on. Pairings for Windsor Golf Club will be based on first round performance with the higher index scorers going off first. Emphasis on the groupings will go to the flight leaders & low gross leaders.
- » Ties after 36 holes of championship play will be determined by sudden death for Gross Score (if playing additional hole(s) is not allowed by the course, we will use gross scores for card-matching - back 9/6/3). For Net Score ties, we will use the same method we have used during the year, net scores for card-matching - back 9/6/3.
